The Daylight Store

OUR DRESS GOODS

To us are looking much better than ever before. The variety and assortment that this stock represents we feel will please you. It is surely the largest line ever put onto our counters and there is about it that ought to be appreciated and that is that they are of the latest designs, not the loud, hideous combinations, but on the contrary, the soft effects that sensible, well dressed ladies prefer to wear.

DRESS GOODS.

Dress Goods is one of our principal stocks, it is when we spend a greater part of our time and while goods are sold in quantities from \$1.00 up to \$3.00 per yard. There is a larger amount sold at 50c and it is at this price that we have done lots of careful shopping, convincing ourselves, at least, that we have a better lot of these goods at the price than found in many Vermont stores.

The latest are new Plaids and Plaid Effects with silk checks at 50c.

Large, Green Plaids with navy combination, lined off with yellow, for 50c.

DRESS GOODS.

Green and navy Worsted Plaids in small checks at 50c.

Tiny checks in brown and green for 50c.

Grey Shadow Plaids with silk check effects for 50c.

Garnet Shadow Plaids at 50c. (one of our very best.)

Green Shadow Plaids, all wool and soft as dollar goods (only a little narrower) in this 50c sale.

Brown Plaids in Scotch effect, this plaid for children's dresses and used for making over with other materials, price 50c.

DRESS GOODS.

Early last season we saw that the price of plain colored wool goods would be much higher, such cloths as serges, cashmeres and batistes. We bought them, and while we are not to advertise them all this time, we do want to call your attention to this lot of Batiste in colors of reseda, light blue, navy and two shades of red. Your choice for 50c. (The reds for children's dresses and the other colors for ladies' waists).

Grey Chiffon Panama, a very desirable wool dress goods, in this sale at 50c.

One piece of 50-inch Brown Mohair at 50c.

Get a 10c New Idea Pattern to cut above goods by. Then you have all that your money could buy.
